Check your email address used for the password reset and take note of the verification

code.

Enter the verification code from your email into the **Verify Your Account** window and click **Verify.** 

In the Create New Password window, create a new password:

Passwords must contain characters from at minimum, three of the following four categories and be no less than 10 digits:

- English uppercase characters (A through Z)
- English lowercase characters (a through z)
- Numbers (0 through 9)
- Non-alphabetic characters (for example, !, \$, #, %)
